

Dr. Bernard Dahan

Biography

Dr. Bernard Dahan completed his Dental Degree in 1976 at the TOULOUSE University of Dental Surgery in FRANCE. After having the honor of being the Laureate of the University, he obtained his Perio License in 1978 at MARSEILLE University. In 1980, Dr. Dahan emigrated to ISRAEL and in 1984 then spent a sabbatic year at BOSTON, USA with two of his mentors: Dr G. Kramer and Dr M. Nevins.

Dr. Dahan is a well known lecturer in Israel and has lectured around the world. Dr. Dahan is a member of: The Israeli Association of Periodontology and Osseo Integration, The Academy of Microscope Enhanced Dentistry, The American Academy of Periodontology and The European Federation of Periodontology.

In 1985, Dr. Dahan created a Dental Office in Haifa, Israel specializing exclusively in Periodontics and Implantology, in which three Periodontists and an Adult Orthodontist are working as a team, with a clear orientation for Esthetic Implantology. Today, Dr. Dahan is concentrating his activity in Bone Regeneration in Implantology and Microsurgery.
